

Home Assignment. Design Improvements

You need to submit this task for review.

Watch the video lessons to complete this task. If you have any questions, you may ask your mentor’s help via the use the real time chat on the learning platform. You can find it on the down right corner of your screen.

After you submit the completed task, mentors will review it and send their feedback via email. Don’t worry if your work is not approved: you can always retake the assignment, and it won’t affect your final grade.

Goal

Apply your learnings and add a component to your existing code.

Instructions

To accomplish this goal, follow these steps:

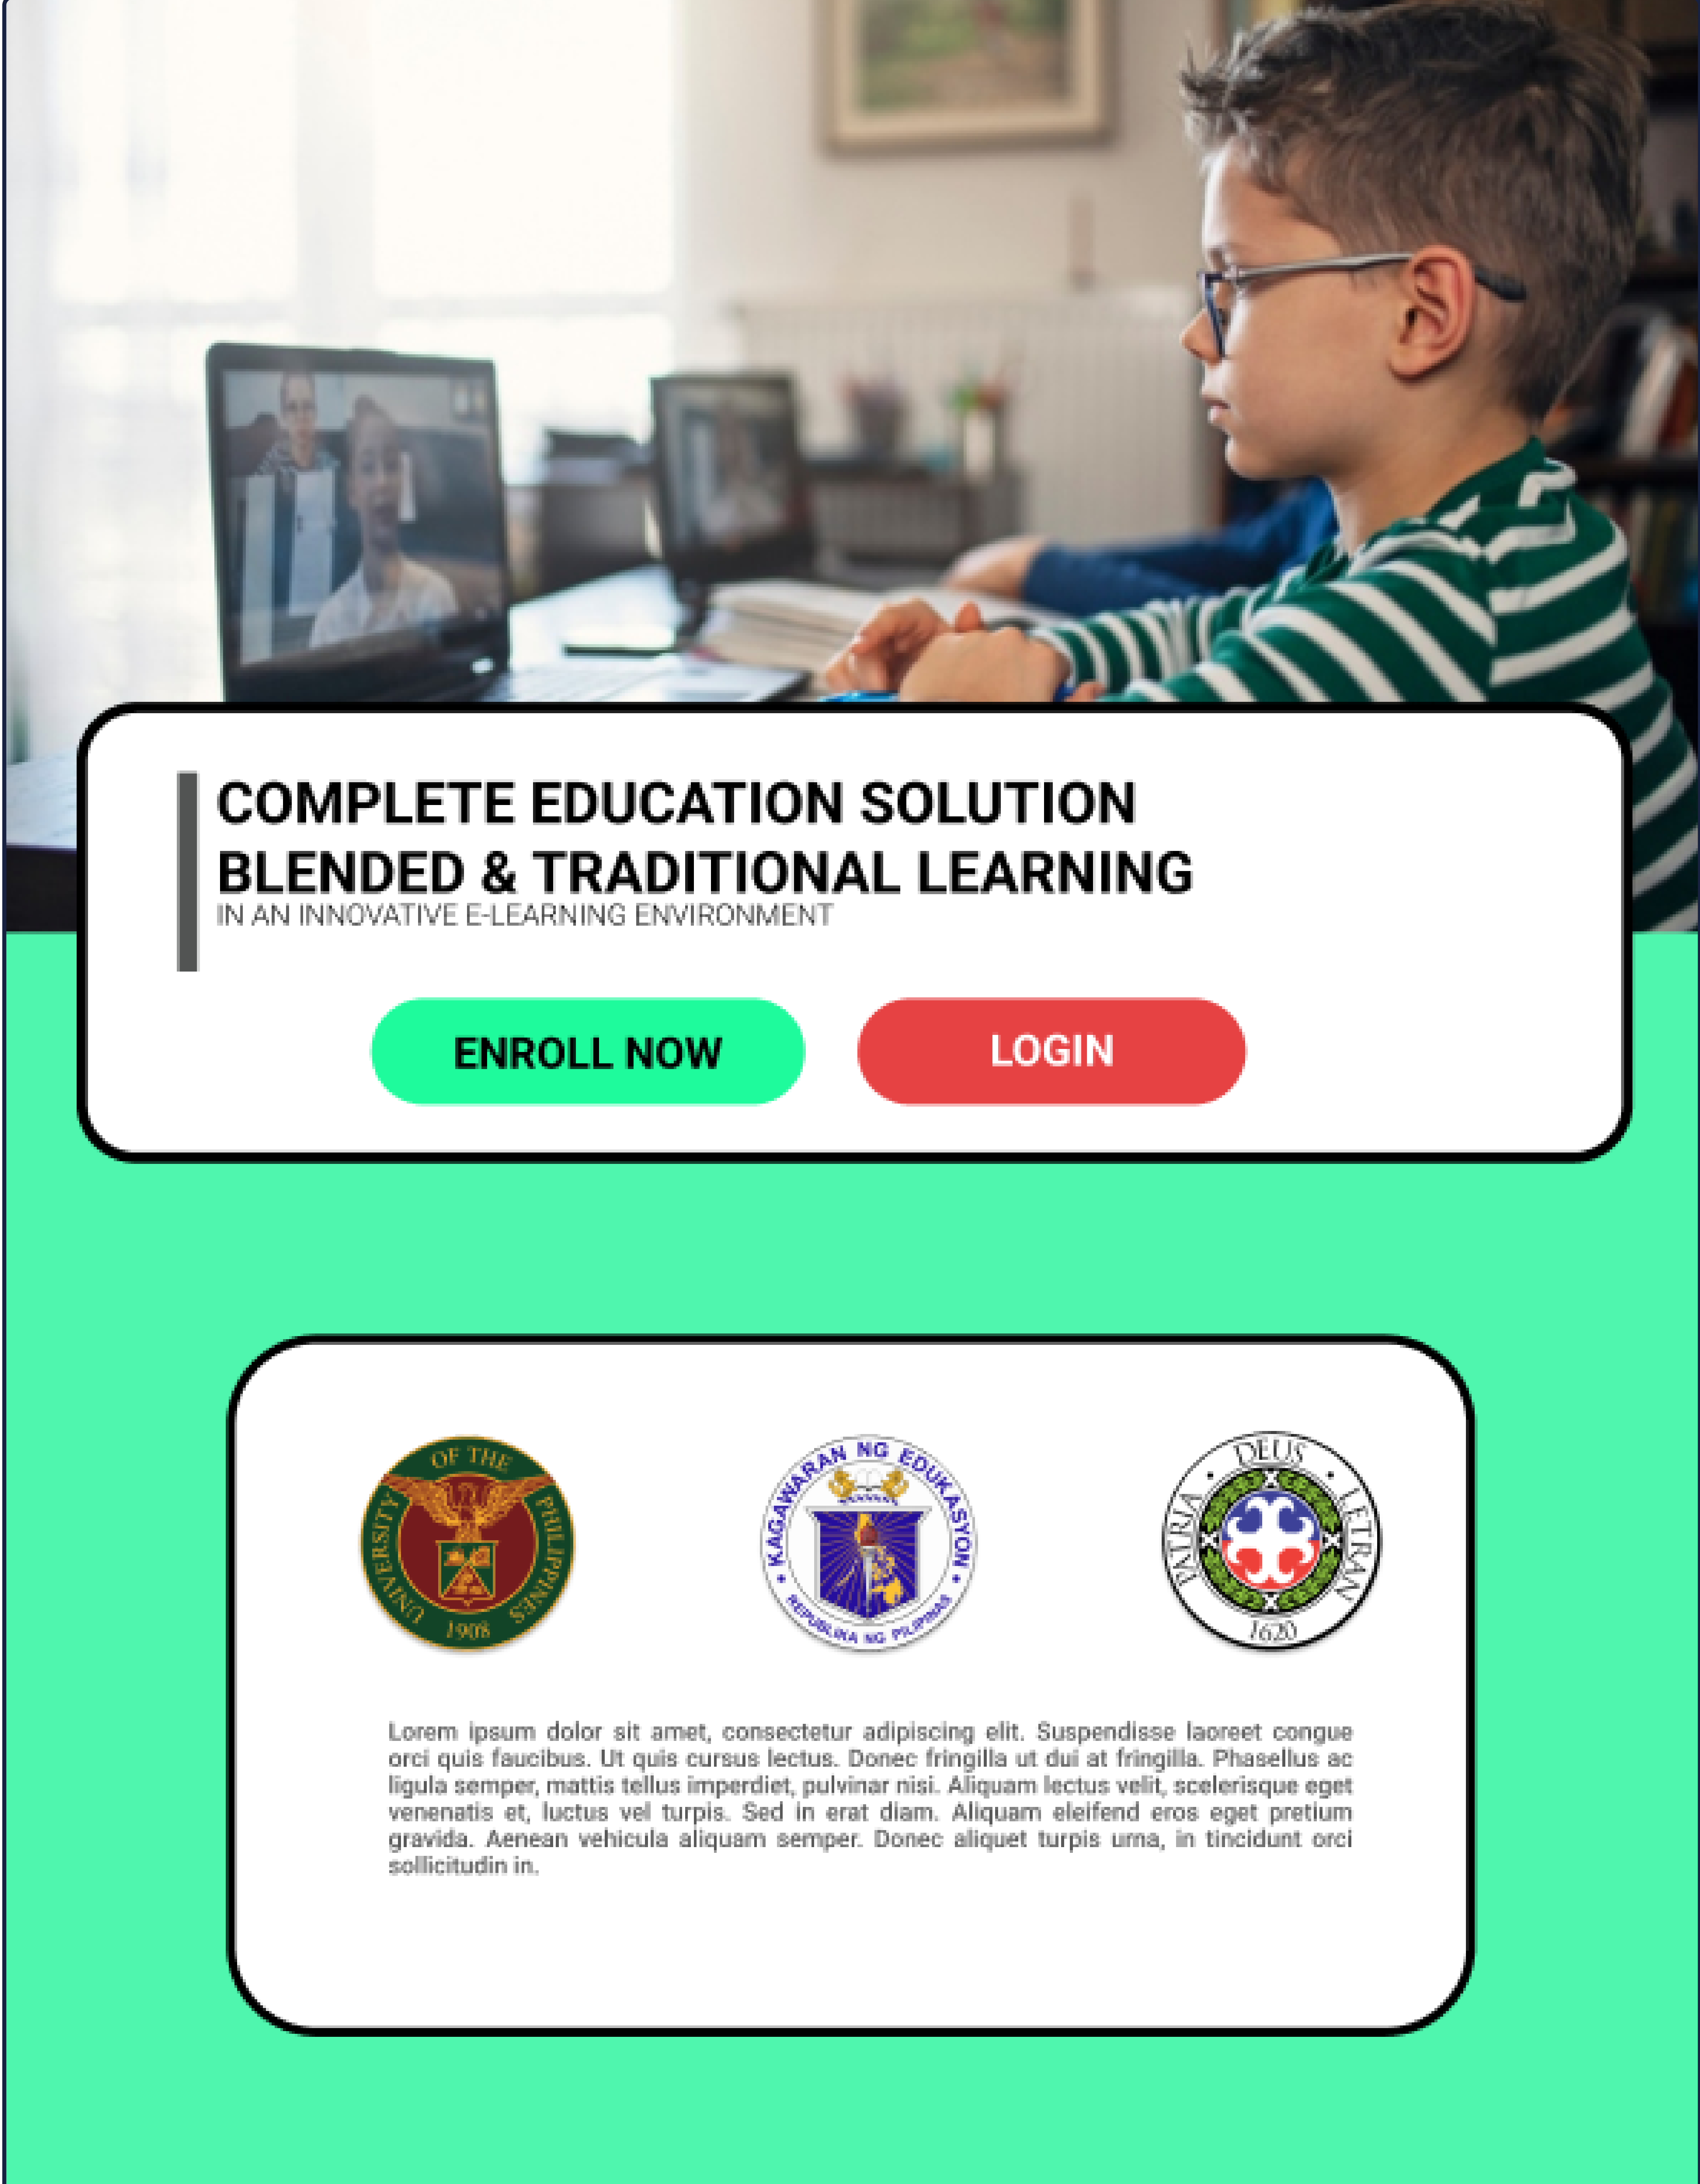

- 1 Recreate the code from the lesson named “Guided Practice: Implement the Design.”
- 2 On the basis of this code, add the component below:

Hint: Feel free to use any method you want, and style the page accordingly.

Expected Outcome

After completing the assignment, you should see the following result:

How to upload completed tasks

To upload the assignment, make a “zip” archive containing all the necessary files, and upload the file here.
