

Home Assignment. Media Queries

You need to submit this task for review.

Watch the video lessons to complete this task. If you have any questions, you may ask your mentor's help via the use the real time chat on the learning platform. You can find it on the down right corner of your screen.

After you submit the completed task, mentors will review it and send their feedback via email. Don't worry if your work is not approved: you can always retake the assignment, and it won't affect your final grade.

The assignment has two parts: basic and advanced.

To pass the assignment, you need to complete only the basic part. However, we recommend you complete both parts to master your skills and achieve the best results.

Goal

Basic Part

Use a flexbox to align items and change the layout.

Instructions

Basic Part

To accomplish this goal, follow these steps:

- 1 Download the "[index.html](#)" file, and open the file in your Chrome browser.
- 2 Create a "style.css" file.
- 3 Recreate the following design:
 - The sky blue box should be centered horizontally.
 - The light brown box should be centered horizontally and vertically.
 - The violet box should be aligned horizontally at the right.

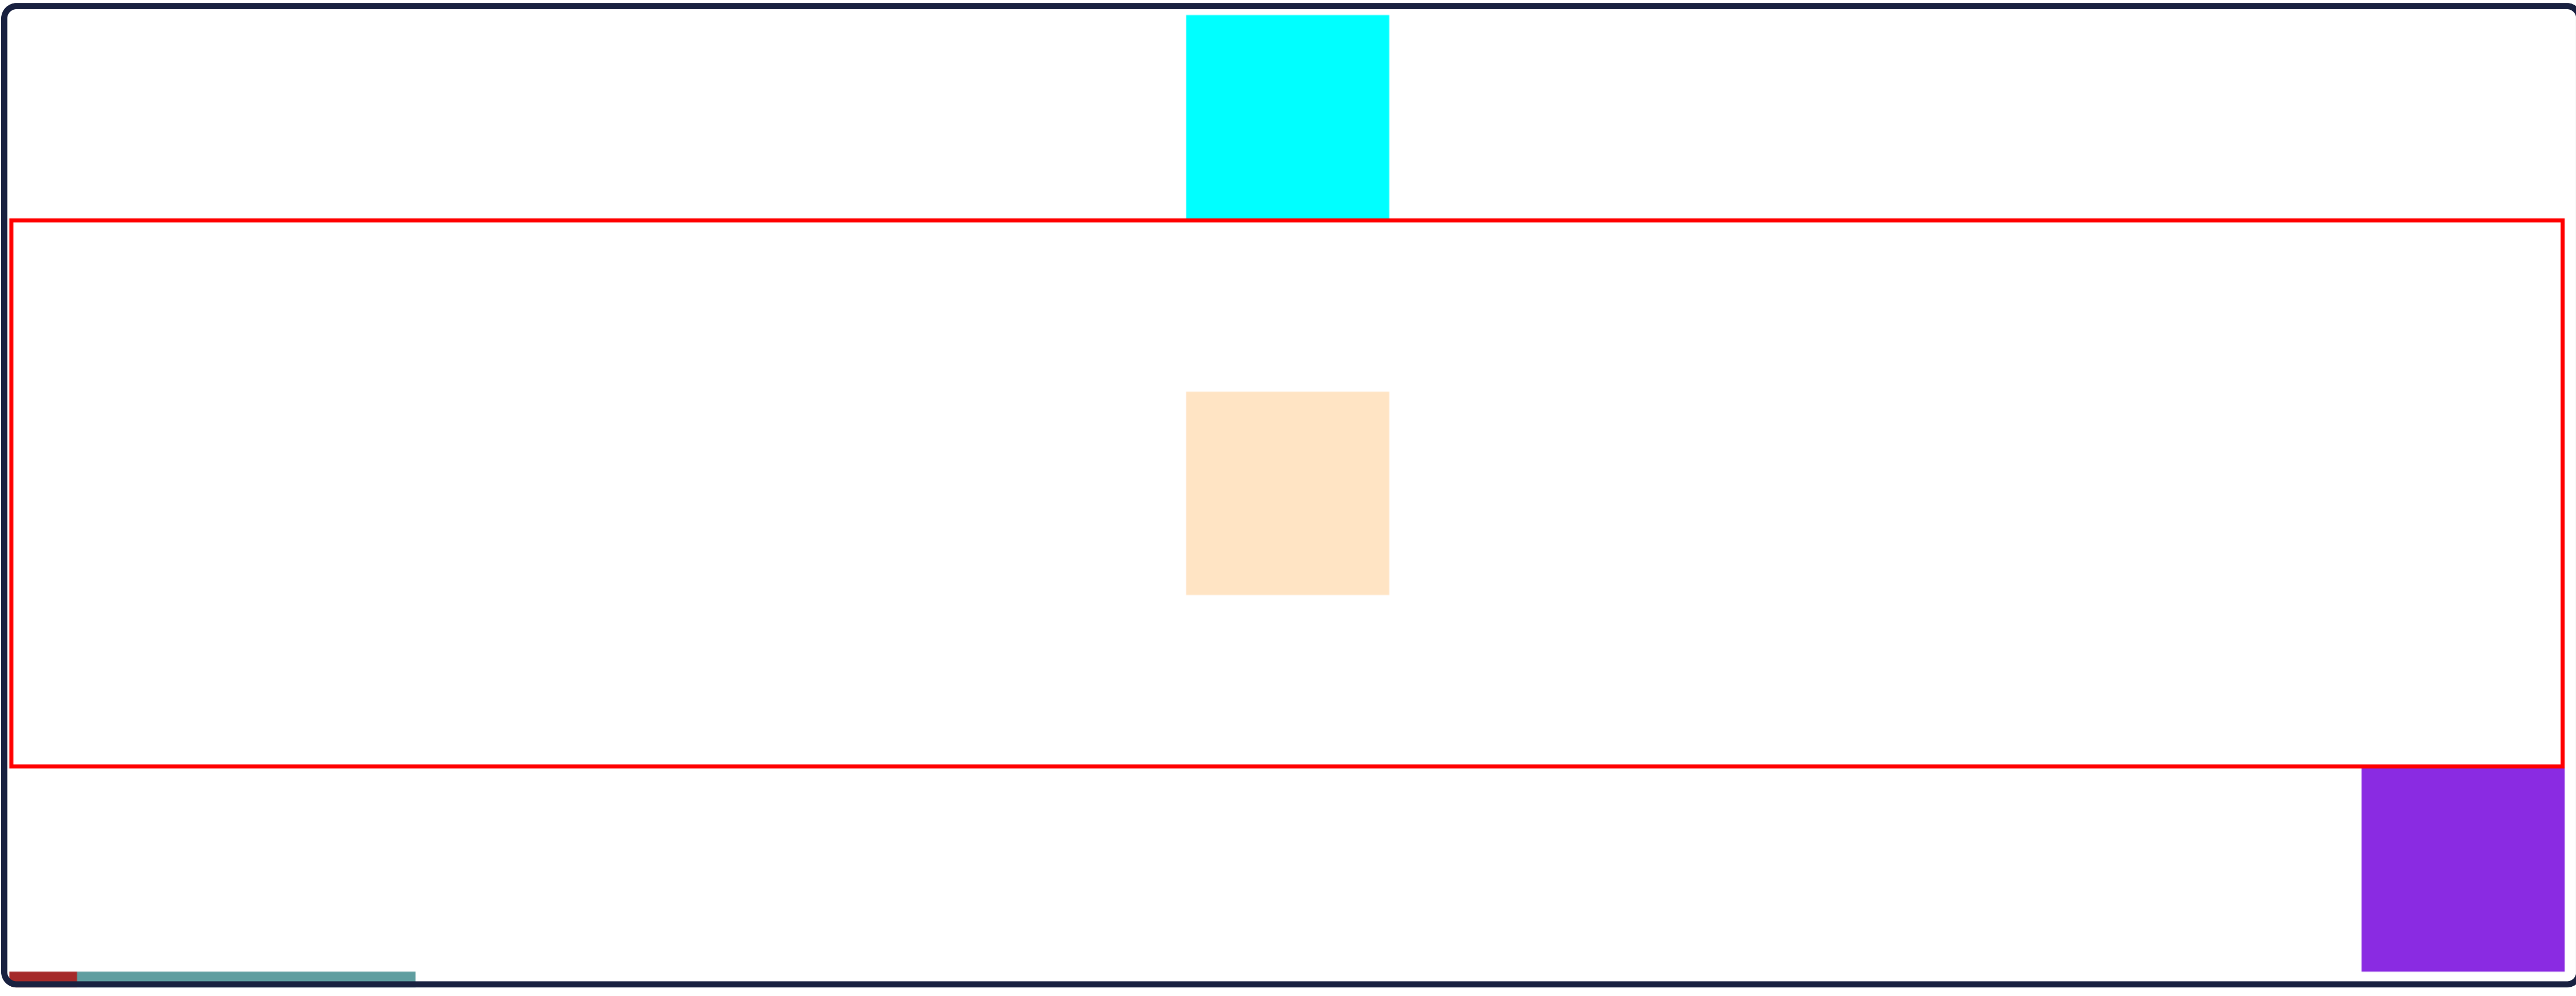

Hint: Try to use the "justify-content" or "align-items" property.

Note: Feel free to edit and add your own classes for your CSS file.

Expected Outcome

Basic Part

After completing the assignment, you should see the following result:

Goal

Advanced Part

Recreate the design below by yourself.

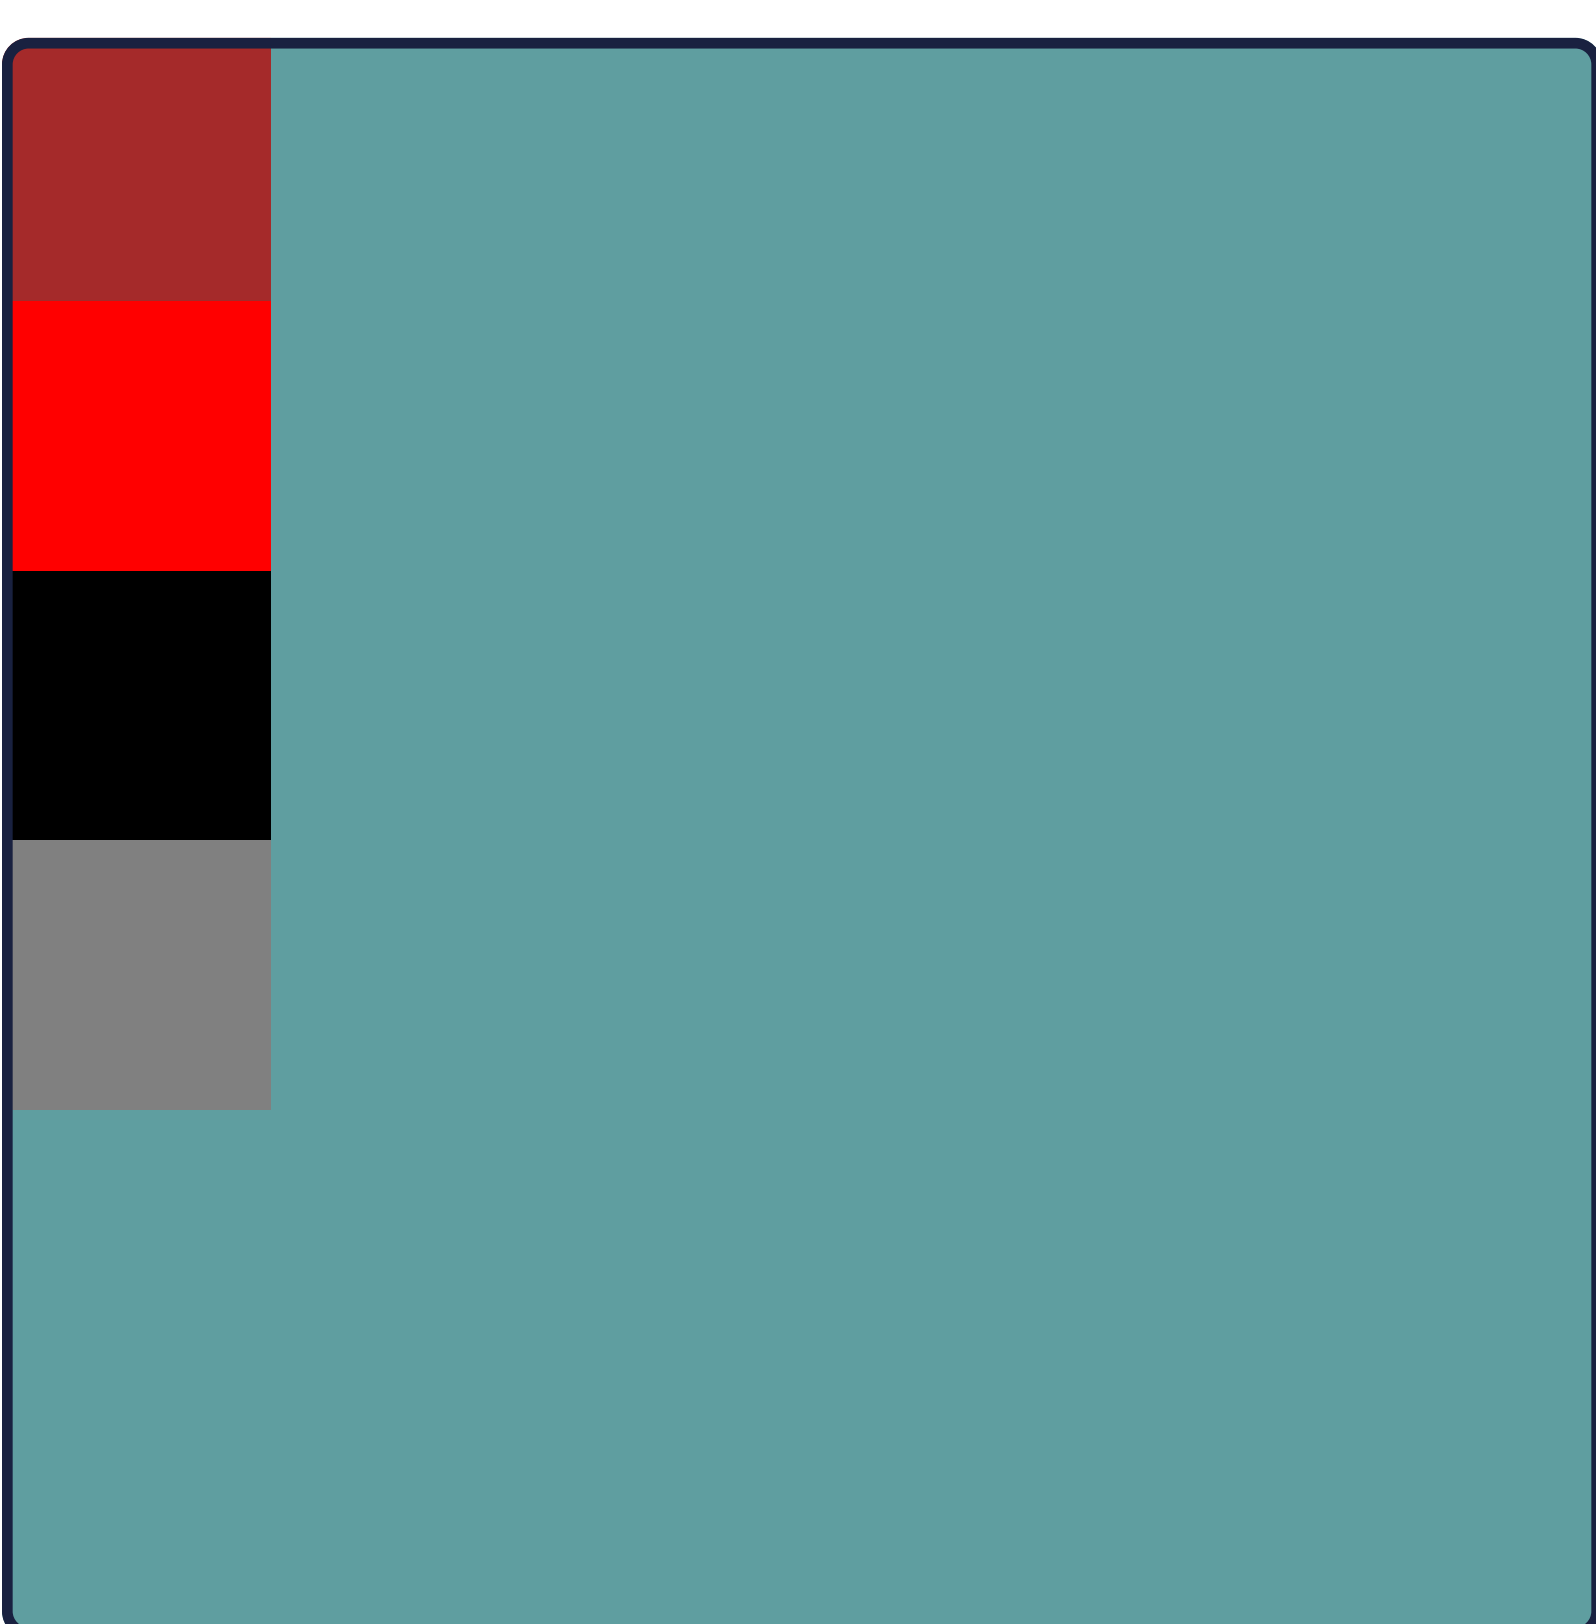

Note: Feel free to edit and add elements, and add your own classes for your CSS.

Instructions

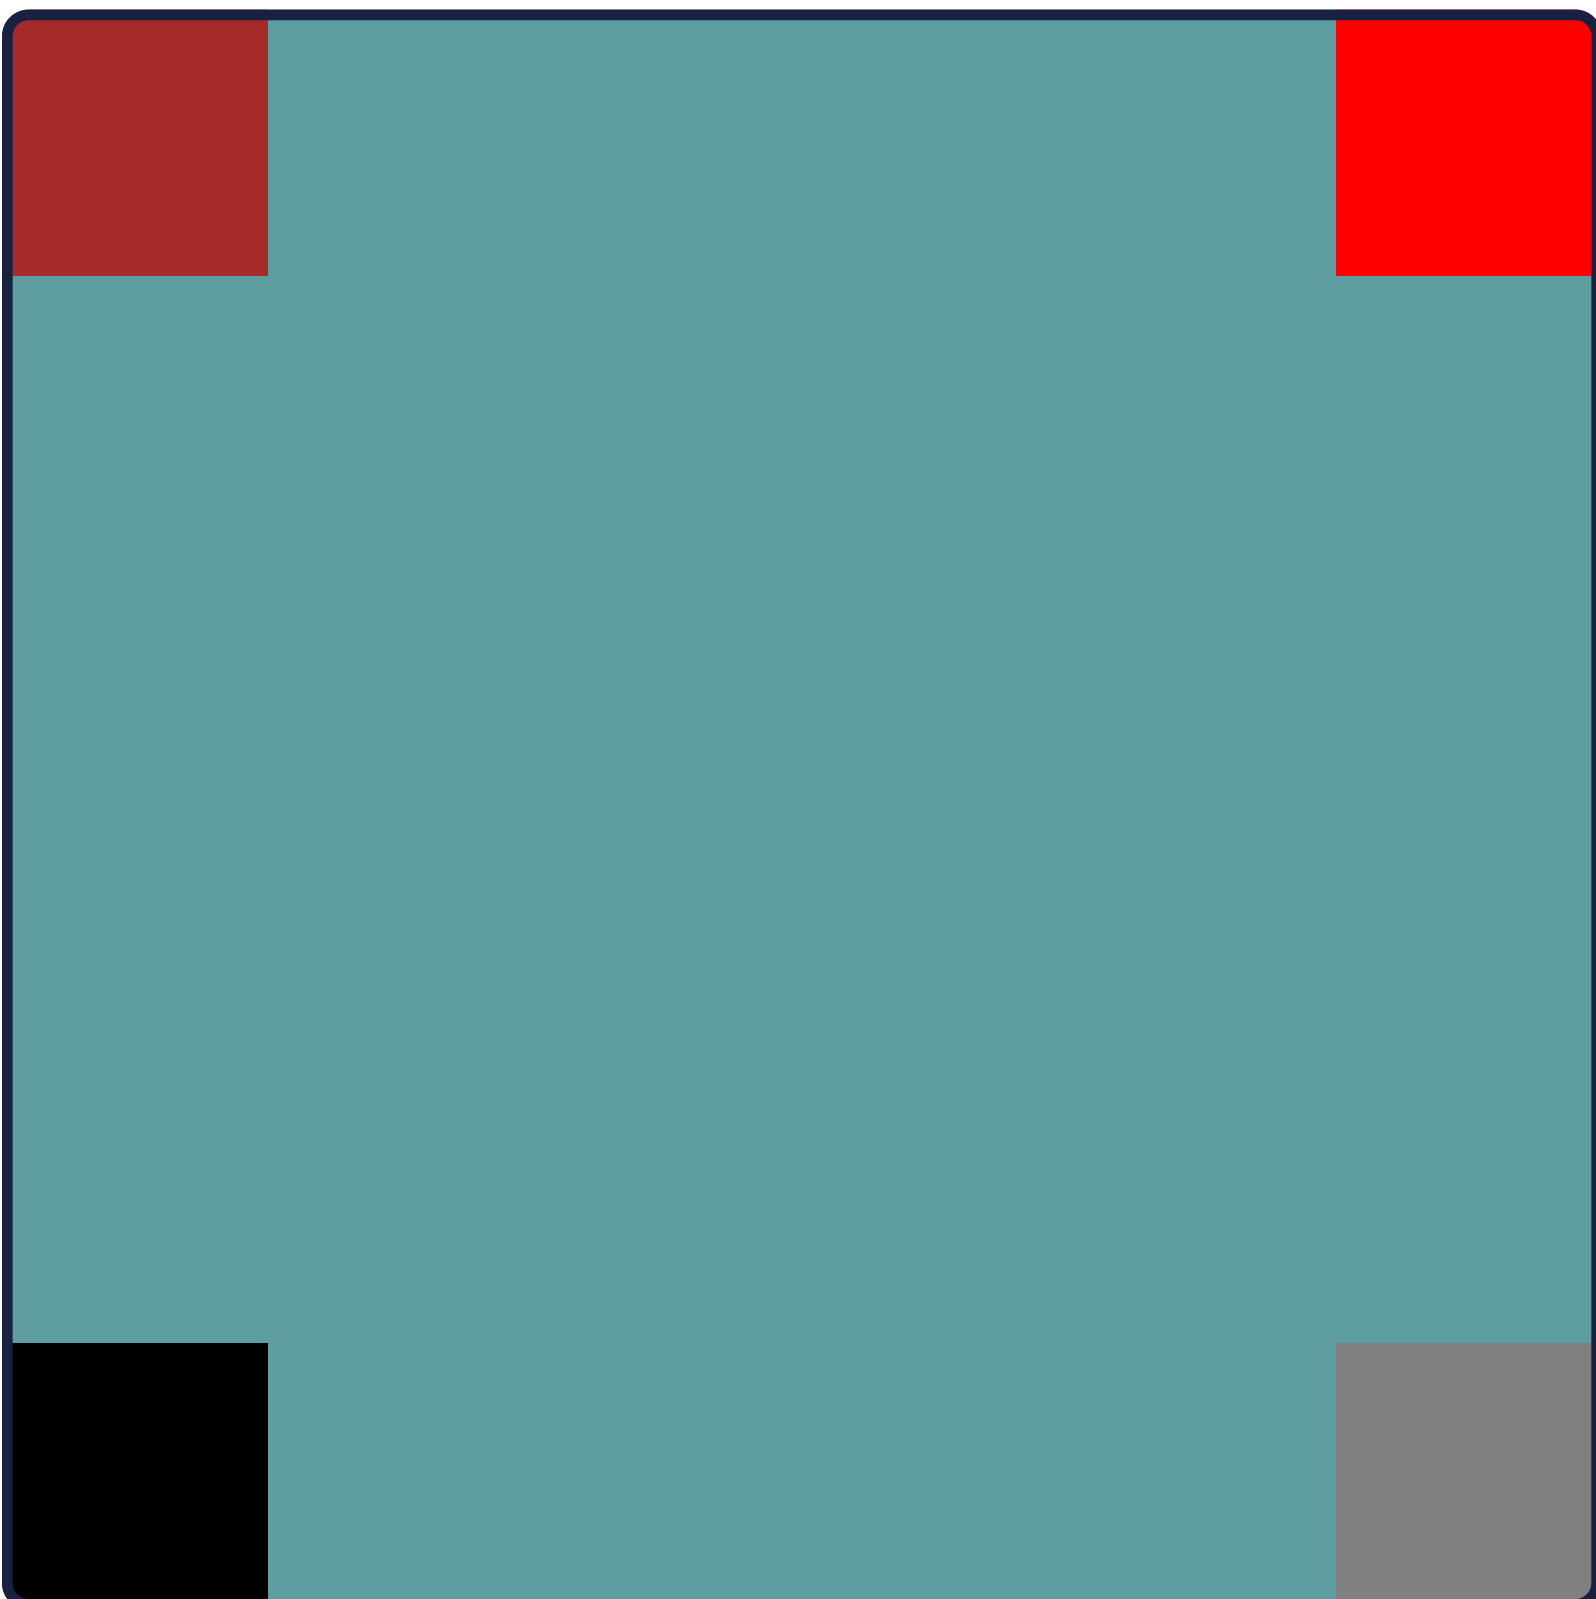

Advanced Part

To accomplish this goal, follow these steps:

- 1 Create the following version:

- 2 Change it to the version below:

How to upload completed tasks

To upload the assignment, make a ".zip" archive containing all the necessary files, and upload the file here.
