Sputnik V

Sinopharm Covovax

Moderna

Date of Vaccination (Dose 1), a date input

options:

Yes

ment. It should:

to use for visitors.

and upload the file here.

No

Waccination (Dose 1) Site, a text field

Vaccination Brand (Dose 2), a dropdown list with the same options as in Vaccination Brand (Dose 1)

Vaccination (Dose 2) Site, a text field

Date of Vaccination (Dose 2), a date input

Otherwise, they should be disabled:

Goal Advanced Part

Develop a simple web page for the form created in the basic part of the assign-

Did you already get your second vaccination? A radio button with the following

If a user chooses "Yes" in the last question, 3 more questions should be shown.

- Involve the registration form you created.
- Look attractive with the use of CSS. **Hint:** To learn how to customize the form, try searching answers on Google.

for this task on the Internet and customizing it in your CSS file. 3 Show the user's answers on the same page if the "Submit" button is clicked.

No other restrictions are implied. Just make sure that your web page is easy

Hint: To customize checkboxes and radio buttons, you should hide their default view and recreate them from scratch. It may be difficult to write

the code on your own, so we recommend finding ready-made code

How to upload completed tasks

To upload the assignment, make a ".zip" archive containing all the necessary files,
